## CE Anywhere 2.0- Self Directed Study

Simply the best independent study program available. See the slides, hear the lecture, take a quiz, earn a credit. It's as easy as that. CE Anywhere brings you up to the minute lectures from IPGE meetings digitally recorded in a format that you can watch instantly and/or download to your Mac, PC, Desktop, Laptop, iPod, iPad or iPhone. This program allows you to select from an extensive menu of contemporary lectures from leading faculty. From this menu you can build your own IPGE meeting and participate in it anytime and anywhere you have electronic access. AANA approved for up to **40 CE Credits**. Visit [CEAnywhere.com](http://CEAnywhere.com) for full details or call us at 1-877-692-0430.

## Ultrasound and Regional Anesthesia Bootcamp

An outstanding opportunity to learn ultrasound guided regional anesthesia and vascular access techniques *in your own institution*. Each program is specifically designed for your staff's needs and presented by Christopher Brown, CRNA, MSMT, BS in an 8 hour format on a Saturday of your choice. The program covers upper and lower extremity blocks and techniques for vascular access. You will have the opportunity to gain hands on experience with the portable ultrasound unit for a variety of clinical applications. Arrangements can be made by telephone to 1-877-692-0430. AANA Approved for **8 CE Credits**. Call for full details.
