

The Institute for  
Post-Graduate Education, Inc.  
presents:

# Current Issues in Clinical Anesthesia

The Margaritaville Resort  
Key West, Florida  
25 Class A Credits

November 6-9, 2017

## Tuition Fees

Until October 29 .....	\$845.00
October 30-November 5 .....	895.00
On Site .....	945.00
Monday Only* .....	425.00
Tues, Wed, or Thus .....	295.00

\*\*Add \$50.00 to daily fee after 10/30/17

Tuition fee includes all lectures, discussions, daily breakfast, Luncheon on Monday, AANA Credit Recording and Certificate of Attendance.

## Refund Policy

A full refund less \$150.00 application processing fee may be obtained until 10/29/17. After this date a \$150.00 tuition credit will be issued which may be applied to another program within one year of cancellation. All cancellation requests must be made in writing or Email (ipgeseminars@ipge.com) and are honored by postmark. **No telephone cancellations will be accepted.** If the course is canceled a full refund is made by IPGE **unless** cancellation is due to a natural or man made disaster (fire, flood, earthquake, strike, act of war or terrorism, or any other cause beyond IPGE's control). In this event, a voucher is issued for the full amount paid for the course valid for at least two years toward another IPGE program. Also, in this circumstance, attempts will be made to reschedule this program in its entirety within a reasonable time period.

## Refund Assurance Plan

For a non-refundable fee of \$45.00, IPGE will waive all refund restrictions and provide a full refund until the day before the seminar begins (November 5, 2017). Must be purchased at time of registration.

November 6-9, 2017

Christiana Health Care System  
Newark, Delaware

### Maj. Peter Strube, CRNA, MS

Director - Mount Horeb Board of Education  
Assistant Professor - Rosalind Franklin University  
Nurse Anesthesia Program  
North Chicago, Illinois

## Course Description

The 2017 fall meeting at Key West is designed to offer a variety of contemporary clinical and non-clinical lectures and discussions. This will include an update on Malignant Hypertension and Perioperative Vascular and Surgical Complications. The environmental impact of anesthetics is always a concern as well as the possibility of new drugs entering our armamentarium and these topics are among those that will be presented. As always, the focus is on patient safety and the role of anesthesia in maintaining this vital issue. Program enrichment is encouraged by conducting open forum discussions during which all registrants will have an opportunity to participate.

## Accreditation Information

This program has been prior approved by the American Association of Nurse Anesthetists for 25 Class A CE Credits. Code Number 10343331; Expiration Date 11/9/2017.

IPGE is approved by the California BRN to provide Continuing Education Courses for Registered Professional Nurses. This program meets the criteria for 25 CE Credits. Provider Number 2374.

IPGE designates this program as meeting the criteria for 4 Pharmacology hours

## Program Agenda
